Harvest Mass

This week, both of our schools will celebrate our annual Harvest Mass. It is truly heartening to witness the generosity and hard work of all involved. The contributions and efforts from students, staff, and families highlight the strong sense of community that we cherish. Thank you to everyone who helps make this celebration so special.

October Coach Trip

Well we have been and even returned. There may have been one or two hills, but we got out from the living room and explored for the day. Some visited the cathedrals, while others explored the Walker Art Gallery and still more went around the shops and cafes.

Next Spring we shall return to Chester if there can be a central dropping off place for the bus. The Romans have been, the railway got there in 1840 and now the people of Darwen are on their way.

Chair of Governors

Our thanks go to Bob Beardsworth who has served as Chair of St Edwards's school governors for many years and is finally handing over to a new generation. His work has born much fruit over many years and he will be blessed for his kindness.

October Month of Mary

In Lourdes, St Bernadette had a vision, and there has been expressions of kindness there ever since.

Parish Heating Upgrade

The central heating controls across the parish buildings are to have a major upgrade. After the 25th October all the thermostats will be replaced with the latest smart thermostats. This will involve some electrical wiring and then an extensive set up. There is a cost for these replacements but once complete it will ensure that the parish facilities remain warm and welcoming as we approach the winter.

Television

Thank you for the great response to the request for a TV. We met the need and also helped one or two others along the way.

Chosen

Who can do it?
You can do it
Why am I going to do it?
Because at this point you are there
How am I going to do it?
The best way you can
That is enough for now.
